Letter no: 3388 / F. 110, 03-04 dated 3.5.04 from the Military Assistant to the Govt of H.H. the Maharaja regarding the provision of Rs 1728/- on account of Temporary Syces under Imperial Service Transport Corps.

In Govt Pro: no: 1504-5/64 Military dated 13th November 1903 sanction was accorded to the entertainment of 18 temporary syces at Rs 8 each per mensem for the Mysore Imperial Service Transport Corps to replace men on leave, sick list &c, the cost being met from the amount provided for the feed and keep of Transport ponies in the current year's Transport Budget.

In the Budget for 1904-1905 the Military Assistant made a similar provision of Rs 1728 which has been objected to by the Comptr on the ground that the order quoted above authorises the expenditure only for 1903-04

The Military Assistant states that the arrangement was understood to be a permanent one and requests sanction to the provision of the above sum.

Sir,

With reference to the Comptroller's B & R/a 21 of the 7th April last, I have the honor to inform that I pointed out to the Dewan that it was necessary to obtain a certain number of extra Drivers in connection with the Transport Corps to replace any of the permanent Drivers proceeding on leave etc as is done in the British service, and obtained his sanction for the admission of 18 additional men on a salary of Rs each vide Proceedings of Govt No 1504-5/64 Military of the 5th November last copy enclosed.

2. The Dewan understood that this was to be a permanent arrangement but as it was too late in the year to provide for the pay of these extra men in the Transport Budget I asked that their pay should, as a temporary measure be met from the grant provided for the keep of Transport Horses.

3. When preparing the Budget for 1905 I provided a sum of Rs.1728/- on account of the above men which the Comptroller has struck out for want of the necessary authority from your Department.

4. I beg therefore that you will kindly obtain the sanction of Govt forthe provision of the above sum, and communicate the same to the Comptroller at an early date with instructions to admit the grant as provided for by me.

I have the honor to be
Sir,
your most obedient servant,
